X indicates a prejump

filled in square indicates missed prejump

keep running team score

I keep running score for each individual so that I notice when they quiz out

For a substitution or a quizz out, draw a horizontal line where the person entered or exited and then an arrow to indicate where they were out

if there are points lost on appeal, indicate that in separate column (see question 11)

indicates jump order

line indicates answer was wrong

indicate time outs

If question is thrown out, use space next to small square to

in comments put question type, appeals, etc.

total scores for each quizzer and indicate the number of questions that they were in the quiz
